

# Kids World Cares Strong Minds, Stronger Bodies Program

## Why Kids World?

Our Mission is to provide a world where every child can succeed, and we've been proudly doing that for over 15 years.

During these challenging times, parents are faced with incredibly difficult educational decisions. That is why we are launching our educational branch, *Kids World Cares*, and it's first program *Strong Minds, Stronger Bodies*.

### What is Strong Minds, Stronger Bodies?

*Strong Minds, Stronger Bodies* is a learning center program providing e-learning support for active, responsible kids. We offer:

- Safe, clean learning environment
  - Peer interaction with small group size
  - Daily physical education
  - Supplemental learning opportunities
  - Lunch
  - Kindergarten through 5<sup>th</sup> grade
  - Full week 8 am - 4 pm \$175/week
  - M/W/F 8 am - 4 pm \$120/week
  - T/TH 8 am - 4 pm \$80/week
- After program classes available M-F\*

1st Semester Dates: August 24 - December 18th

#### E-Learning Support

Parents may elect to utilize curriculum from their school district's e-learning platform or provide a curriculum of their choice. *Strong Minds, Stronger Bodies* is a self-guided education option where parents manage their child's curricular selection and Kids World staff are the support system and oversight during the day to get things done.

#### Physical Education

Students will have a 19,000 square foot playground for recess and physical education.

- Gymnastics
- Trampoline
- Tumbling

#### Covid Guidelines

During this Covid period we are following the guidelines of St. Louis County, the CDC, and USA Gymnastics to keep our students and our staff, as well as their families safe.

- Drop off and pick up zone
- Daily temperature checks
- Daily health screening questions
- Sanitizing surfaces throughout the day
- Staff wear mask
- Designated learning station with clear partitions
- Regular hand washing and sanitizing
